

## Report of Parents' Feedback Analysis, 2023-24

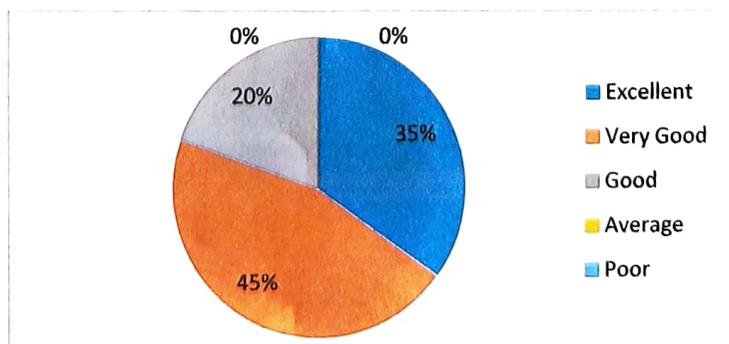

Parents' feedback in the college is a significant step in understanding how the institution is perceived by parents and help identifying areas for improvement. Parents play a crucial role in the development of the institution as well as the enhancement of the teaching learning environment. This report presents the findings from the survey conducted to understand parents' satisfaction with the institution. The Feedback committee of the IQAC of the college has prepared feedback form and distributed to the parents of the B.A. 6th semester students, 2023-24.

The parents' feedback form comprises of the following aspects:

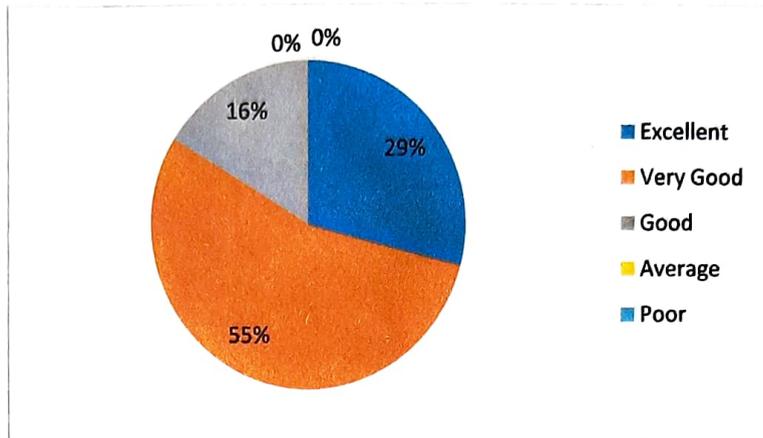

1. Teaching learning environment
2. Competence and Commitment of the Faculty
3. Communication with administrative staff
4. Physical Security in the Campus
5. Discipline
6. Hostel facilities
7. Support Services like Bank, ATM, Canteen, Post office etc
8. Community participation
9. Different activities for enhancement of students personality
10. Overall infrastructure of the institution

The responses are analyzed and report is prepared based on the above aspects. The analysis of the report is presented below.

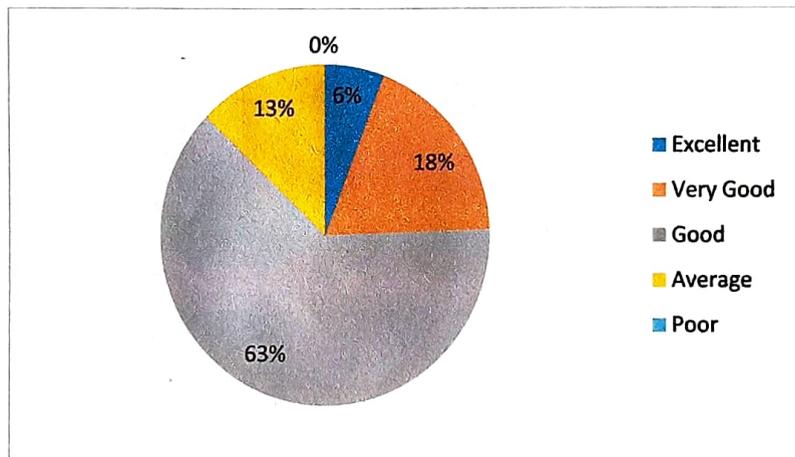

### 1. Teaching learning environment

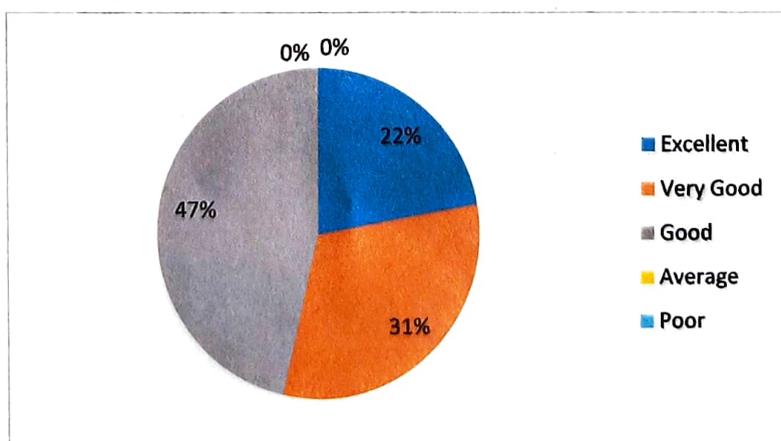

## 2. Competence and Commitment of the Faculty

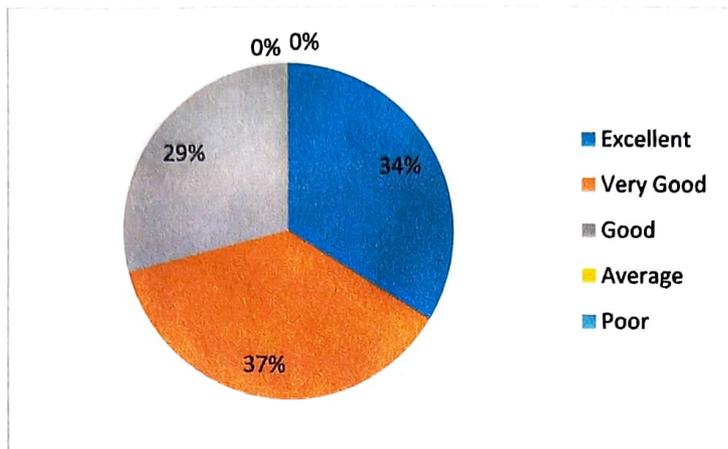

## 3. Communication with administrative staff

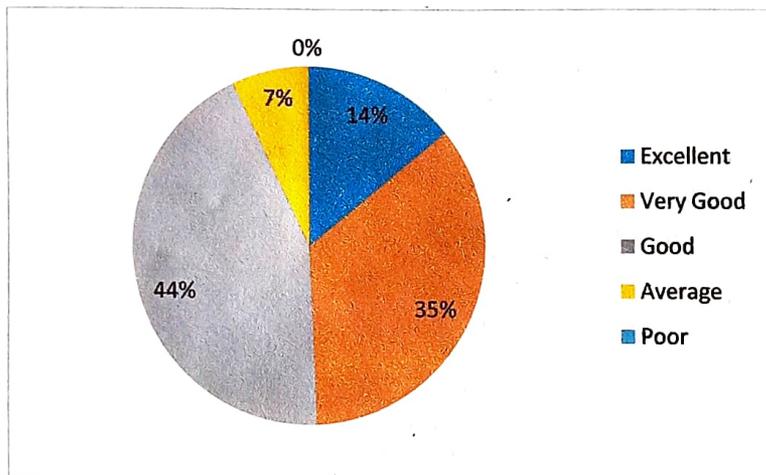

## 4. Physical Security in the Campus

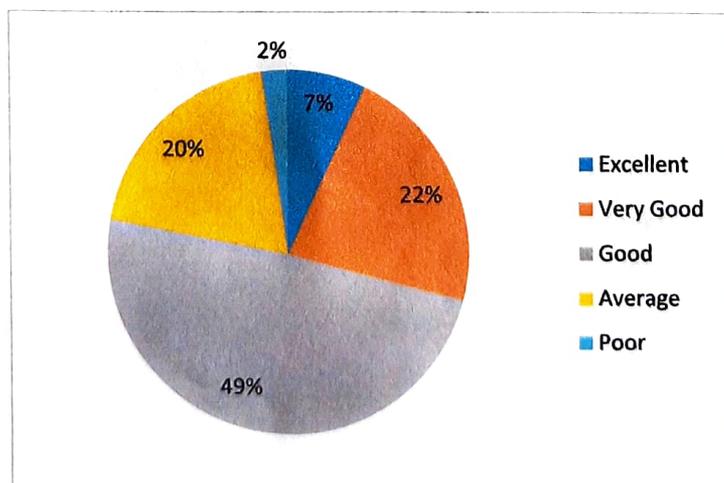

## 5. Discipline

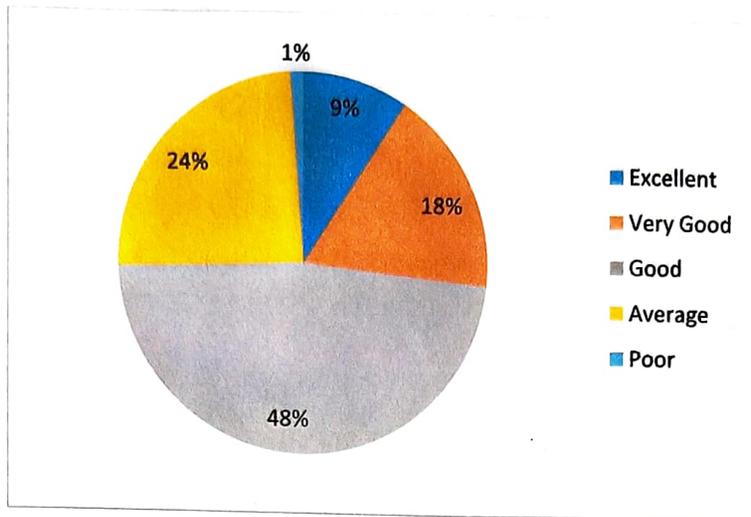

## 6. Hostel facilities

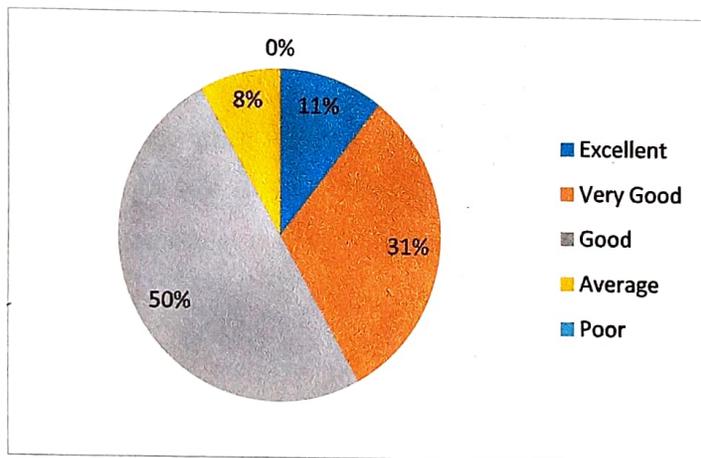

## 7. Support Services like Bank, ATM, Canteen, Post office etc

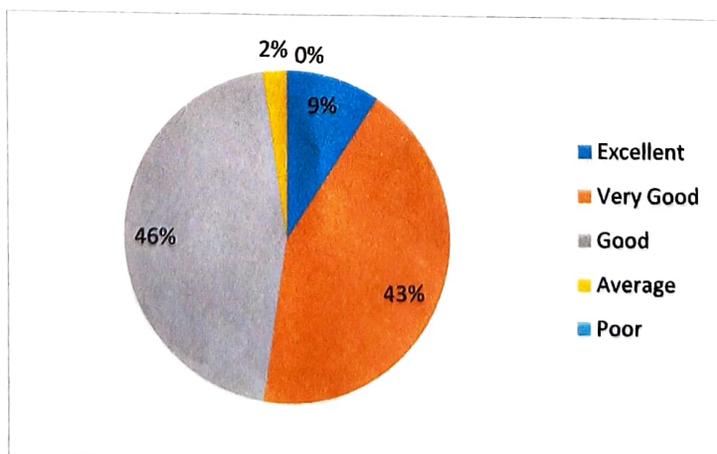

### 8. Community Participation

### 9. Different activities for enhancement of students' personality

### 10. Overall infrastructure of the Institution

The survey reveals that most of the parents are satisfied in the areas like,- teaching learning environment, administrative staff, community participation, infrastructural facilities, physical security in campus, hostel facility, competence and commitment of the faculty. However, parents expressed dissatisfaction with certain areas and recommended for improvement. Parents felt that the college should offer a wide variety of courses for students. Moreover, the hygienic toilet facility needs to be improved. They also suggested for well-equipped laboratory for the Department of Education.

**Action Taken:**

To address parental concerns, the institution has implemented essential remedial measures to mitigate and strengthen the overall academic and extra-curricular experience for students. The institution has taken necessary actions for overall improvement of the teaching-learning environment. To make the learning process more dynamic, accessible and collaborative, Wi-Fi, LED TVs and Projectors facility is provided to the students. The institution has introduced skill based courses to enhance employability of the students. The authority takes necessary actions to incorporate well equipped, inclusive, comfortable, safe and supportive infrastructure to enhance student satisfaction and ensure that college remains an attractive choice for prospective students.
