Overall infrastructure of the Institution

The survey reveals that most of the parents are satisfied with the infrastructural facilities, physical security in campus, hostel facility, competence, and commitment of the faculty. However, in some aspects they showed dissatisfaction too. The parents felt that the hygienic toilet facility needs to be improved and suggested for imparting vocational education for the students, well-equipped laboratory for the Department of Education. The administration took serious notes on their dissatisfaction and will try to focus on the said problems for further rectification.
